EXPERIENCE

Nashville Software School
Nashville , TN — *Software Developer*

FEB 2021 - AUG 2021

The Web Developer Bootcamp is a six-month, full-time program that teaches the skills and technologies required to become a full-stack software developer.

PROJECTS

🍿 Popscore
A Movie Watch App

MAY 2021

Popscore is a React App for organizing movie watch parties that I developed for Nashville Software School's Cohort 47's "Front-End Capstone."

Holiday Road
A Travel Companion App

April 2021

This is a Travel Itinerary website I made with a group in Nashville Software School's Cohort 47!

Amazon Warehouse Services
Lebanon TN — *Floor Supervisor*

MAY 2020 - JAN 2021

I worked on the floor delivering packages, supervising and training coworkers, and delivering products.

EDUCATION

Nashville Software School
Nashville , TN — *Software Developer*

FEB 2021 - AUG 2021

Nashville Software School prepares adults with aptitude, motivation, and drive for careers in software development, UI/UX design, data analytics, and data science.
