About Me

I'm a Nashville native that decided to leave warehouse and retail work and pursue a new career. I've always had a penchant for technology and creativity, so software felt like the perfect path for me.

Technical Skills

- HTML 5
- CSS 3
- JavaScript
- React
- C#
- .NET
- SQL Server

Experience

Nashville Software School

Full Stack Software Development

February 2021 - August 2021

- Worked with technologies such as HTML, CSS, JavaScript, React, and C#
- Worked individually and in teams using the Scrum framework

Fedex Ground

Warehouse Associate

2017 - 2020

- Worked on teams in a fast paced environment to load packages for drivers

Dollar General

Sales Associate

2015 - 2016

- Worked on a retail floor to stock supplies and service customers

Projects

Bag of Tricks Capstone   May 2021

https://github.com/NSPatton/bag-of-tricks-capstone
